WORK EXPERIENCE

CAREER SERVICES OFFICE, MASSBAY COMMUNITY COLLEGE (Currently) **Wellesley Hills, MA**
Student Assistant Oct 2026 – Present

- Promoted MassBay's mentoring programs, acted as a student ambassador to recruit peers and raise awareness for the college's mentoring initiatives.
- Managed Handshake and provided operational support by helping students navigate the Handshake job platform and handling database updates.
- Created event marketing materials, including digital flyers and social media content, to promote on-campus career fairs and workshops.

BELUGA TECH **Kampala, UG**
Web/Mobile Developer Aug 2021 – Dec 2024

- Architected, programmed and deployed responsive websites and cross-platform mobile applications for 15+ clients, delivering end-to-end solutions that streamlined digital operations and expanded user reach.
- Designed high-fidelity wireframes, user interfaces, and custom digital graphics, translating client business requirements into intuitive, brand-aligned user experiences.
- Produced and edited promotional video content and marketing graphics, enhancing client campaign engagement and driving stronger product visibility across digital channels.

PROJECTS

TOUCHPOINTCARE (ELECTRONIC HEALTH RECORD SOFTWARE) View Project

- Attracted 1,200+ visitors in the first week by building a Next.js, and Supabase e-commerce website for a luxury clothing retail store with operations across Africa with Zulu/English/Kiswahili multilingual support
- Improved user experience with a responsive Tailwind CSS design and Supabase-authenticated dashboard for content management
